Dear Sir:

With regard to the above-identified application, the items of information listed on the enclosed Form 1449 are brought to the attention of the Examiner.

This statement should be considered because it is submitted after the mailing date of a first Office Action on-the-merits or a first Office Action after filing a Request for Continued Examination under 37 C.F.R. § 1.114 or a CPA under 37 C.F.R. § 1.53(d), but before the mailing date of: i) a final action under 37 C.F.R. § 1.113; ii) a Notice of Allowance under 37 C.F.R. § 1.311; or iii) an action that otherwise closes prosecution on the application. Enclosed is a check in the amount of \$180.00 under 37 C.F.R. § 1.17(p) for consideration of the items listed on the enclosed Form 1449.

A copy of the foreign patent documents and "Other Document" listed on the Form 1449 is enclosed, in accordance with 37 C.F.R. § 1.98(a)(2). The foreign patent documents listed, without their translations, were submitted with the original Information

Disclosure Statement filed in this case. The foreign patent document translations listed (JP Utility Model Registrations 54-107105 and 54-107106) were recently submitted in Reexamination Control Number 95/000,056 (reexam of U.S. Patent 6,641,334—"the '334 patent") by Rockwood Retaining Walls, Inc. They were submitted with a document entitled, "Comments of 3rd Party Requester on the First Office Action and Patent Owner's Response." The portion of that document (portions of title page and pages 15-17) that responds to statements made by Anchor Wall Systems, Inc., the assignee of the '334 patent and this application, in respect to Japanese Reference No. 59-167842 ("the '842 reference") as applied to the claims of the '334 patent and also discusses JP Utility Model Registrations 54-107105 and 54-107106 (page 16, footnote 3) is also enclosed and listed on the attached Form 1449.

No representation is made that a reference is "prior art" within the meaning of 35 U.S.C. §§ 102 and 103 and Applicants reserve the right, pursuant to 37 C.F.R. § 1.131 or otherwise, to establish that the reference(s) are not "prior art." Moreover, Applicants do not represent that a reference has been thoroughly reviewed or that any relevance of any portion of a reference is intended.

Consideration of the items listed is respectfully requested. Pursuant to the provisions of M.P.E.P. 609, it is requested that the Examiner return a copy of the attached Form 1449, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Please charge any additional fees or credit any overpayment to Deposit Account No. 13-2725.

Respectfully submitted,
